REPORT ON 'Youth Consultation- Health, TB and Youth in India

The NSS unit of Ramjas college successfully organized an event 'Youth Consultation- Health, TB and Youth in India' on 29/03/2023. The event was held in collaboration with NCC and REACH Foundation. The main aim of this program was to create awareness among the youth regarding the prevention and spread of Tuberculosis.

The program commenced at 12 PM in Auditorium with Lamp Lightning. This was followed by a speech by the Vice Principal Prof. Hament Kumar Rajor. The event aimed at educating the youth regarding the spread of Tuberculosis, its prevention and necessary steps which should be taken from the side of the youth in the fight against tuberculosis. Keynote speakers included local health officials, TB survivors, and experts in the field of TB research. Attendees had the opportunity to learn about the impact of TB on the local community and the importance of early detection and treatment. DR. Sukriti Chauhan along with her team shared her expertise regarding the steps which needs to be taken in order to stop the spread of Tuberculosis. Two TB survivors shared their narrative about how they conquered the disease. At last a questionnaire was shared with the attendees and their response was recorded. The event was a great success, raising awareness about TB and providing attendees with valuable information about the disease. The event saw great participation from NSS volunteers, NCC cadets and the whole Ramjas student community. NSS Ramajs hope that event like these will continue to be organized to raise awareness and reduce the impact of TB in the local community and beyond.
