

## Rozgar Mela

### Standard Operating Procedure for the event

#### Pre-Event

- Special invites to select new appointees to join physically at location – confirmation to be obtained (template for invitation given below)
- It must be informed (latest by ..... ) to all the new appointees that their appointment orders will be sent over on their registered e-mail IDs/Address following the Prime Minister's event (as per template given below)
- Department of Railways shall be the overall location Coordinator in respective cities in 45 locations and work in coordination with local Coordinators of other Ministries/Departments.
- All locations to join through virtual link which will be shared by NIC. Check network/connectivity in advance and provide for standby.
- Around 400 participants to attend physically of which 200 will be new appointees and at least 25 appointment orders will be handed over by the designated Dignitary at each of these 45 locations.
- The concerned Ministry/Departments to obtain prior confirmation from the candidates about their participation and the candidates shall carry identity cards.
- All the invitees including the candidates to whom appointment letters are to be handed over physically by the dignitary, may be advised to report to the venue at ..... (1 and half hours before the scheduled time)
- Help Desks/Kiosks may be provided a venue for facilitating new appointees.
- Liaising with local authorities.
- Local protocol for dignitaries to be ensured.

- Common Rozgar Mela Branding, Signage and folders in which the appointment orders are to be placed(to be shared by National Coordinator of Railways once approved)
- Talking points for designated dignitary may be generated from the material provided.
- Liaising with the office of the Dignitaries to get details of arrival and accompanying guests, if any, in advance
- Internet connectivity to be checked during Dry Run on 8<sup>th</sup> April
- Refreshments for the attendees
- Coordinating with the local Doordarshan, AIR, PIB officials for publicity
- Podium/Seating arrangements for the Dignitaries
- Rozgar Mela Folders with Event Brief and Minute to Minute Program to be kept for Dignitaries
- Live broadcasting of the PM address in giant screens as per the capacity.
- Selfie points
- Recording of bytes of the candidates

### Hon'ble Prime Minister's Function

- The Programme at venue can begin at .... (time- 45 minutes before the commencement of programme) with welcome of designated Dignitary and running of fillers on national themes till PM joins virtually. The programme at venue should be so adjusted to ensure that by ..... (5 minutes before commencement of programme), the Venue is available to join PM Programme.

### Events after Hon'ble PM's Address at all locations

- Designated Dignitary to handover the appointment orders kept in the Rozgar Mela Folders to listed candidates.

- Arrangements for taking photographs with dignitary and taking bytes from some of the new appointees.
- Arrangements for candidate photos at selfie points
- Tweets that are posted about the event should have Twitter handles of PMO, MyGov, Ministry of Railways and DoPT tagged. The hashtag #RozgarMela should also be used.

Templates:

**I. Invitation to new appointees to attend event (physically) at \_\_\_\_\_ on 14<sup>th</sup> April, 2023**

Congratulations on being selected for appointment to \_\_\_\_\_, Government of India. You are invited to attend the Rozgar Mela event that will be virtually addressed by the Hon'ble Prime Minister. This will be followed by formal handing over of the appointment letters. Please do ensure that you are seated at the venue by \_\_\_\_ AM, and carry a personal ID for verification purposes.

**II. Invitation to new appointees to join virtual address by the Hon'ble Prime Minister**

Congratulations on being selected for appointment to \_\_\_\_\_, Government of India. You are invited to attend the Rozgar Mela event virtually.

Date : 14<sup>th</sup> April, 2023

Time :

Weblink : (will be shared)

May kindly note that orders of appointment will be sent to you over registered e-mail IDs/address of the new appointees, following the address by the Hon'ble Prime Minister, by the concerned Appointing Authority

**Requirement for conducting Videoconferencing  
Session from Outside NICNET / over Internet for PM's Interaction  
with beneficiaries / Inaugurations/ Launch of schemes etc.  
(FOR Main Event Location) - Preferred**

---

**A. Network Connectivity**

- a. Minimum 10 Mbps Internet Leased Line (ILL circuit) / Leased lines from any other network services providers with a Public IP address over Fibre connection with suitable adapter for providing RJ-45 (Ethernet connection).

**NOTE: 1. Broadband connection, Wi-Fi Connectivity or RF Radio link are not suitable for Videoconferencing**

**2. Any Extensions of networks over Wi-Fi networks for primary connectivity is not suitable. Do not share this bandwidth for other applications.**

- b. Backup link of at least 4 Mbps or more capacity Internet leased / Internet line from different service providers over Fibre connection with suitable adapter for providing RJ-45 (Ethernet connection).
- c. **Network Components such as Routers, Ethernet Switches etc. if required for establishing network connectivity shall be also be considered.**
- d. **Network connectivity at the site of the event shall be available 2 days before of the event. All the testing should be completed one day before the event.**

**B. Audio, Video and Videoconferencing equipment**

High Definition (HD) 1080p30/1080p60 Videoconferencing equipment or better (**Cisco /Life-size/Polycom/Sony or equivalents which has direct HDMI Video out and HDMI Video Inputs**) to work on IP (H.323/SIP Compliant) with support to connect two or more cameras through HDMI Video inputs.

1. High Definition (HD) 1080p30/1080p60 Videoconferencing equipment or better (**Cisco /Life-size/Polycom/Sony or equivalents which has direct HDMI Video out and HDMI Video Inputs**) to work on IP (H.323/SIP Compliant) with support to connect two or more cameras through HDMI Video inputs.

Or

Good Desktop system/Laptop (i7 Processor with 8 GB RAM, windows OS) or iMAC / Macbook with HDMI based Video capture device

2. 40"/50" or bigger size LED Monitor / TV (with HDMI Input) 2 nos. for viewing by Participants
3. PA System for Audio with Microphones
4. Multiple Cameras (2 or more cameras may be hired as per the local needs) with Video Switcher and Protocol converters (1080i to 1080p/720p)
5. Videoconferencing system. If any of the equipment is already being used for local functions, may also be shared.

**C. UPS**

1. 2KVA Online UPS with 1-hour backup VC equipment. (If Additional systems are installed, suitable Capacity of UPS and Back needs to be augmented)
2. Suitable Generator backup for Power supply (for outside events).
3. Extension boards with 5-Ampere sockets (as per site requirements).

**Requirement for conducting Videoconferencing  
Session from Outside NICNET / over Internet for PM's Interaction  
with beneficiaries / Inaugurations/ Launch of schemes etc.  
(FOR Main Event Location) – Alternate Option**

---

**Network Connectivity**

- a. Minimum 10 Mbps Internet connectivity / Leased lines from any network services providers with direct RJ 45 Connection / Wi-Fi
- b. Backup link of at least 4 Mbps or more capacity Internet leased / Internet line from different service providers over Fibre connection with suitable adapter for providing RJ-45 (Ethernet connection).
- c. **Network Components such as Routers, Ethernet Switches, Wi-Fi Routers etc. if required for establishing network connectivity shall be also be considered.**
- d. **Network connectivity at the site of the event shall be available 2 days before of the event. All the testing should be completed one day before the event.**

**B. Audio, Video and Videoconferencing equipment**

1. **Good Desktop system/Laptop (i7 Processor with 8 GB RAM, windows OS is recommended) or Apple iMAC / Macbook with HDMI based Video capture device**
2. 40"/50" or bigger size LED Monitor / TV (with HDMI Input) 2 nos. for viewing by Participants
3. PA System for Audio with Microphones
