Urgent Notice

As extensive construction and maintenance works are currently underway around the hostel premises. These works include the construction of new roads, installation of new sewerage pipelines, electric cable enhancements, drinking water pipelines, and the implementation of new water harvesting pipelines. These improvements are aimed at enhancing the overall infrastructure and facilities of the hostel, so there is a need for certain adjustments in admission schedule of hostel (2023-24).

Considering the safety and convenience of our cherished residents (boys & girls hostel), and in light of the ongoing construction activities, it is necessary to postpone the hostel admission schedule that was originally set to begin on 18th August 2023. The new admission schedule will now be announced on 21st August 2023. This change is necessary to ensure that the construction and maintenance work is carried out smoothly and with minimal disruption to your daily routines.

The Hostel administration understand that this alteration may cause some inconvenience, and sincerely apologize for any disruption this may cause to your plans. However, prioritizing the quality and safety of the hostel environment is of paramount importance. The Hostel is committed to provide you the best living experience, and these improvements will contribute to that goal.

The Hostel administration request all students who are planning to participate in the hostel admission process to kindly take note of this change in schedule. Please keep an eye on College website as well as College & Hostel notice boards for all further updates regarding the admission process in hostel. The new admission dates will be announced on 21st August 2023.

Your cooperation and understanding during this period of enhancement are greatly appreciated.

Prof. Sunil Kumar
(Warden)
