UNIVERSITY OF DELHI

## *Message from the Hon'ble Vice Chancellor*

### *Dear Aspiring Students*

I extend a very warm welcome to all those who are aspiring for admission for the academic session 2023-24 to the University of Delhi, a premier University with a century old rich legacy.

It gives me immense pride to share with you that our University, established and incorporated in 1922 through an Act of the then Central Legislative Assembly, has completed its hundred glorious years on 1st May 2022. The University, which comprised of 03 Colleges, 02 Faculties, 08 Departments with 750 students in 1922, now has expanded to over 90 Colleges, 16 Faculties, and 86 Academic Departments, spread over 407 acres across Delhi, with a student strength of more than 6.7 lakh. The University has students from all states of Bharat and reflects a microcosm of the rich diversity of this country.

You would be happy to know that the University of Delhi is a premier university acclaimed nationally and internationally. The National Institutional Ranking Framework (NIRF) for the year 2022 had placed the University at 13th rank among Indian universities. As per the Centre for World University Rankings (CWUR), the National Rank of the University of Delhi is 6th for academic excellence in the year 2022-23. The University has also been ranked high by various International Ranking bodies; among them, the Times Higher Education Asia University Ranking had placed the University between 201-250 and as per the QS World University Ranking, the University is stated to be between 521-530, and the QS Asia University Ranking (2023) for the University is 85.

The University of Delhi is a pioneer in providing the world class academic and research platforms to its students in terms of teaching, learning, and research. Continuing with its legacy of being a torchbearer in achieving academic excellence, it has implemented the National Education Policy (NEP) 2020 at its undergraduate programmes through its Undergraduate Curriculum Framework 2022 (UGCF 2022) from the academic year 2022-23. The curriculum frameworks have been formulated with a student-centric approach in providing academic flexibility of choosing the programmes/disciplines of study, developing academic pathways through selection of academic, multidisciplinary, skill-enhancement, value-added, and ability enhancement courses, thereby optimizing the students' strength to the best possible extent. Provision for internship, apprenticeship, social outreach, projects, entrepreneurship, research and innovation, which are the fundamental principles of the National Education Policy 2020, have been embedded in curriculum frameworks. The university endeavors to nurture the innate potential of each individual with an aptitude for community service, problem solving, analytics and research with strong sense of nationalism and ethics.

By making a transition to a single-entrance-based admissions, the University of Delhi witnessed several changes which are indeed welcoming. A landmark achievement of the admission cycle 2022-23 has been the formulation of a new admission policy through the Common Seat Allocation System - UG 2023. Through seat allocation mechanism, the University has moved towards a complete student-friendly online admission process, centralized allocation of seats based on CUET-2023 merit scores, and preferences opted by candidates. Implementing the One-Applicant-One-Allocation policy ensured that all meritorious candidates could get a seat of their preference in a transparent, fair, and inclusive manner in an expedited manner.

From the academic session 2023 onwards, the University has extended its policy of single admission exam to its Postgraduate courses as well. From this year onwards, admissions to all postgraduate courses of the University shall also be made through Common University Entrance Test-PG (CUET-PG). The decision shall lead to a paradigm shift in ensuring equal access for enrolment of candidates from different disciplines, Universities, regions and demographics across the nation through CUET - PG 2023.

As the academic fraternity continue to commemorate the legacy and contribution of University of Delhi in its effort to create all-rounded, multi-skilled and socially responsible global citizens, I, once again welcome you to this prestigious University and look forward to your valued role and contribution in furthering the strength and glory of this much-acclaimed institution, in particular, and to the nation, at large.

Best Wishes!

Yogesh Singh  
Vice-Chancellor

### ALLOCATION RULES

1. In the context of provisional seat allocation, '**Allocated Seat**' refers to a unique combination of Program + Department/ Centre/ College. For example, "M.A. History at Department of History" is referred to as an 'Allocated Seat'.
2. For each program, wherever applicable, there will be two categories of list: Common Merit List, Category 2 Merit List.
3. For allocation, all candidates will be considered in the Common Merit List (CML). However, for Category 2 Merit List (C2ML) only students of UoD will be considered as per Program Specific Eligibility.
4. The Highest Possible Preference will be provisionally allocated to a candidate considering the following criteria:
  - a. Program-Based merit list.
  - b. Social Category (UR/OBC-NCL/SC/ST/EWS).
  - c. Availability of seats.
  - d. Any other allocation rules, policies, or criteria as mentioned in this document (CSAS(PG)-2023), PG BOI – 2023, or published on the admission website of UoD.
5. The merit list for the UR category seats will comprise all candidates in order of merit. No one will be excluded from the same. In other words, the merit list for the Unreserved (UR) category will also include SC/ST/OBC-NCL /EWS candidates, irrespective of category, if they meet the criterion of merit for the UR category. No candidate can be excluded from the UR category merit list just because the Candidate belongs to or has applied under SC/ST/OBC-NCL/EWS category. Discrimination on the basis of category/ caste is completely unlawful. The University of Delhi does not tolerate discrimination against any Candidate/student on this basis. Strict action will be taken against any violations.
6. If candidates belonging to SC/ST/OBC-NCL/EWS/PwBD/CW category do not have a valid certificate/ document issued by the respective issuing authority at the time of applying to CSAS(PG)-2023, they will not be considered for allocation in the relevant category as claimed. (Details related to category certificate issuing authority are published on the admission website).
7. If the total number of eligible ST category candidates who have applied for a particular Program exhaust, then the remaining seats under this category for that particular Program will be allocated to eligible SC category candidates and vice-versa.
8. In case, a candidate who was allocated a seat under any reserved category/ sub-category and was rejected on the basis of deficiency/ies in the category/sub-category/ caste documents, he/she may be considered for seat allocation in subsequent round/s (if any) in UR category as per his/her eligibility, merit and availability of seats in UR.

## CHAPTER - 6

### SEAT ALLOCATION AND ADMISSION

On declaration of the merit list/s, the candidate must check the list/s carefully and log on to his/her CSAS(PG)-2023 dashboard for acceptance of the allocated seat, if offered.

**It is the responsibility of the candidate to login to the dashboard and check if a seat has been allocated in a given round of seat allocation, and if allocated s(he) must complete all admission formalities.**

#### ADVICE

*Candidates must check the schedule of activities for admission, which are available on the admission website of UoD (admission.uod.ac.in).*

#### 6.1: ACCEPTANCE OF THE PROVISIONALLY ALLOCATED SEAT

Once a seat has been allocated in a particular round, the candidate **must 'Accept' the Allocated Seat** before the last date/time specified for the given allocation round. The provision for acceptance of a particular Allocated Seat will be valid only for the round in which the seat was allocated to the candidate.

#### ADVICE

*To participate in subsequent rounds, candidate **must accept** the seat allocated to him/her.*

**In case a candidate is offered multiple seats in a particular round, s(he) must "Accept" and take admission in ONLY ONE allocated seat.**

**Inactivity/no-action will be taken as non-acceptance to the Allocated Seat. It will be treated as a decline to the provisionally Allocated Seat and the candidate will no longer be able to participate in subsequent rounds of CSAS(PG)-2023.**

#### 6.2: ONLINE APPROVAL BY THE DEPARTMENT/ CENTRE/ COLLEGE

Once the candidate "Accept" the provisionally Allocated Seat, the concerned Department/ Centre/ College will check the eligibility and documents uploaded by the candidate. The Department/ Centre/ College will verify the following within the stipulated timeline:

1. Minimum Eligibility of the Candidate (As stated in PG BOI -2023).
2. Program-Specific Eligibility of the Candidate (As stated in PG BOI -2023).
3. CUET(PG)- 2023 details
4. Validity and authenticity of Documents/Certificates submitted by the Candidate.

During the online approval process, if a Department/ Centre/ College seeks more clarity/information from the candidate, it may raise a query to the Candidate (refer to Section 6.3).

After verification, the Department/ Centre/ College will either 'Approve' or 'Reject' the provisionally Allocated Seat of the candidate. No application will be left unattended by the Department/ Centre/ College.

#### **In case of Approval:**

Once the Department/ Centre/ College accords the approval, the candidate **will have to pay the 'Admission Fee'** (refer to Section 6.4).

### In case of Rejection:

At the time of online verification, if an application gets rejected, the Department/ Centre/ College will state the reason for rejection. For rejecting an application, the Department/ Centre/ College will indicate any of the following reason/s:

1. Non-fulfillment of the Minimum Eligibility by the Candidate.
2. Not-fulfillment of Program-Specific Eligibility by the Candidate.
3. Invalid documents/certificates submitted by the candidate.
4. Failure to respond to the query(ies) raised by the Department/ Centre/ College within the stipulated time.

### 6.3: RESPOND TO QUERIES (IF ANY) DURING APPROVALS

During the online approval process, if a Department/ Centre/ College raises a query(ies) then the candidate must respond online (through the candidate's dashboard) within the stipulated time. Failure to respond to the query(ies) will lead to rejection of the Allocated Seat and the candidate will be out of CSAS(PG)-2023.

#### ADVICE

*Candidates must regularly check their dashboard and respond to queries (if any) raised by the Department/ Centre/ College within the stipulated time.*

### 6.4: ADMISSION TO THE PROVISIONALLY ALLOCATED SEAT

After the Department/ Centre/ College approves, the candidate **will have to pay the Admission Fee** for the approved seat. The admission process will be treated as complete only after successful payment of the admission fee.

#### ADVICE

If a candidate fails to pay the admission fee within the stipulated time, it will be considered as a cancellation of the provisionally Allocated Seat. The Allocated Seat shall be forfeited and the candidate will not be considered for any subsequent CSAS(PG)-2023 allocation rounds. The candidate will forfeit all the rights of the allocated seat and will not be considered for any subsequent CSAS(PG)-2023 allocation rounds.

*Candidates must make the payment well in time and not wait for the last date.*

## CHAPTER - 7

### SUBSEQUENT ROUNDS OF ALLOCATION

Based on the availability of the seats that arise due to rejections, cancellations, and withdrawals, the University may announce multiple allocation rounds.

All candidates who have applied for CSAS(PG)-2023 will be eligible for all allocation rounds, except those whose allocated seat/admission has been canceled for whatever reason.

All admitted candidates who opt for the "Upgrade" option (Refer Chapter 8) in a particular round will be considered for respective CSAS(PG)-2023 allocation round, subject to the availability of seats.

Candidates who were allocated their first preference to any Program in any round will not be considered in that Program in the subsequent rounds of allocation.

## CHAPTER - 8

### UPGRADE OR FREEZE

Before the announcement of a round, the University will open an “Upgrade” Window for all admitted candidates.

#### 8.1: UPGRADE

An admitted candidate can select the 'Upgrade' option, which will allow upgradation to a higher preference in the Program where s/he had taken admission. Admitted candidates who opt for Upgrade will be upgraded, subject to the availability of seats in the Program in which s/he is already admitted, as per the allocation policy.

Choosing the 'Upgrade' option means that the candidate consents to be considered for allocation of a seat, as per his/her higher preferences, in Departments / Centres / Colleges in the Program in which he/she is already admitted, in the subsequent round (if any). If a candidate chooses the 'Upgrade' option and a new preference is allocated to him/her as per the allocation policy, his/her current seat on which he/she is currently admitted will be auto-canceled.

The upgrade option will not be available to the candidate(s) who was allocated his/her first preference in a particular Program.

The Department/ Centre/ College in which a candidate had been admitted earlier will never be offered to him/her in any subsequent round(s).

Similarly, Department/ College which were below in the preference order at which the candidate had taken an admission earlier, will never be offered again to the candidate in any subsequent round(s).

#### ADVICE

*In case a candidate is offered multiple seats, s/he must select a seat carefully as the upgrade option will be available on the admitted seat only.*

**A candidate who opts for the 'Upgrade option' and gets upgraded in the subsequent round of allocation, will have to 'Accept' the upgraded seat and complete the admission procedures on the upgraded Allocated Seat.**

If a candidate does not Accept the upgraded seat within the stipulated time or does no activity for whatever reasons, the upgraded seat will be considered canceled and the candidate will be out of CSAS(PG)-2023.

In case a candidate chooses the 'Upgrade' option but does not get upgraded in the subsequent round of seat allocation, his/her admission to the earlier seat will be retained.

It is the responsibility of the candidate to keep checking for 'Upgrade' options in all rounds of seat allocations. If a candidate fails or misses the opportunity to choose the 'upgrade' option, for whatever reasons, s/he will not be allowed to participate in the upgradation process and the University of Delhi will not consider any grievance in this regard under any circumstances.

#### 8.2: FREEZE

The University will offer all admitted candidates a "Freeze" Option after the first admissions round. The 'Freeze' option will remain available to all admitted candidates during the complete admission process.

A candidate who has taken admission on an Allocated Seat and decides to continue with the current admission should submit a 'Freeze' request through his/her dashboard.

**On selecting 'Freeze':**

The current admission (Program + Department/ Centre/ College) becomes 'freezed' and cannot be changed in any subsequent allocation rounds under any circumstances.

Candidates will not be considered for any new allocation in any Program. Suppose a candidate has applied to two Programs, A and B, if S(he) takes admission in "Program A" in a particular round. If s(he) chooses 'freeze' option, it will be considered that the candidate has decided to continue with the admission in "Program A" in the Department/ Centre/ College, and will never be considered for any new allocation in either Program A or B in any subsequent list.

ADVICE
<i>Candidates must "Freeze" their admission only if they are satisfied with it and do not want to be considered for subsequent allocations.</i>

The candidates will not be allowed to opt for "Upgrade" option in the Program where s/he is currently admitted.

**Candidates opting for neither 'Upgrade' nor 'Freeze':**

If an admitted candidate neither opts for 'Upgrade' nor 'Freeze' and remains inactive, the admission taken by him/her will be retained and he/she will not be considered for upgradation.

## CHAPTER - 9

### CANCELLATION OF PROVISIONALLY ALLOCATED SEAT/ADMISSION

1. Failure to 'Accept' the provisionally Allocated Seat within the stipulated timeline will lead to the cancellation of the Allocated Seat.
2. The provisionally Allocated Seat will be canceled if a candidate fails to pay the Admission fees within the stipulated time.
3. The provisionally Allocated Seat/Admission will be canceled if, at any time, any of the document(s)/certificate(s) is/are found to be invalid/fraudulent.
4. The provisionally Allocated Seat/Admission will be canceled if, at any time, it is found that a candidate does not meet the Minimum Eligibility Criteria as declared by UoD.

A candidate who has taken an admission in a Program but wishes to withdraw from it, can do so through his/her dashboard by selecting the 'Withdraw' option and paying a non-refundable withdrawal fee of **Rs. 1000.00 (One thousand only)**.

A candidate who withdraws his/her admission will forfeit his/her eligibility for admission to PG Programs of UoD. No further participation in any of the subsequent regular allocation rounds, if any, will be allowed.

The Withdrawal option will be suspended on the announcement of Spot Admission round/s.

## CHAPTER - 11

A candidate who applies to CSAS(PG)-2023 mid-way will not hold any right to claim the seats allocated to candidates who had applied to CSAS(PG)-2023 during the initial Application Phase. Allocation of seats to such candidates may be considered for subsequent rounds (if any), subject to fulfillment of eligibility criteria, availability of seats, and other CSAS(PG)-2023 rules.

Once the seat has been allocated to the candidate who has applied to CSAS(PG)-2023 mid-way, it will be mandatory for him/her to take admission on the allocated seat. Failure to accept the allocated seat will forfeit the candidate's right to seek admission to UoD. The seat allocated in a particular allocation round will be final and will not be upgraded in any subsequent allocation round.

Mid-Entry will only be considered after successful remittance of the Mid-Entry fee.

Merely applying through Mid-Entry does not guarantee a seat through CSAS(PG)-2023.

**Mid-Entry will not be allowed for Performance-Based Programs (M.A. Music, B.P.Ed, M.P.Ed) and Sports Supernumerary Quota.**

## CHAPTER - 12

### SPOT ADMISSION

On the announcement of Spot Admission, the dashboard of all admitted candidates will be kept in freeze mode and they will neither be considered for upgrades nor be allowed to withdraw their admissions.

To be considered in a Spot Admission round, the candidate will have to opt for 'Spot Admission' through his/her dashboard.

**For every Spot Admission round the University will display the vacant seats of each Program. A desirous candidate will be able to select ONLY ONE Program.**

In Spot Admissions, allocations will be done on the basis of the following criteria:

There will be no option of 'Upgrade' and 'Withdraw' during the Spot Admission rounds. **The seat allocated in a particular Spot Admission round will be final** and will not be upgraded in any subsequent round of Spot Admission rounds.

## CHAPTER - 13

1. The candidate with the higher percentage in the Qualifying Examination as mentioned in the eligibility criteria, will be given preference.
