

8th meeting of the Asian Forum for Chromosome and Chromatin Biology

November 4th -6th, 2023

Jawaharlal Nehru Centre for Advanced Scientific Research

Bangalore-560064, India

Research on Chromosome-Chromatin biology has gained tremendous impetus in recent years. Discovery of different chromatin-modifying enzymes, remodeling, machineries and high-resolution nucleosome structures have enabled the unraveling of mechanisms underlying epigenetic phenomena in disease and development. In India, several researchers are now working in these frontier areas of research.

For more than a decade, this forum has been instrumental in developing excellent collaborative research activities across the continents. Following on from the success of the past seven meetings, we are organizing the meeting this year emphasizing on the following research areas: i) Epigenetic basis of modulation of transcription and chromatin organization, ii) implication of chromatin biology in differentiation and disease. Both national and international scientists working actively in these research areas will be participating in the meeting which would definitely create a better scientific environment for chromosome-chromatin research in this part of the globe.

Invited Speakers

Akiyoshi Fukamizu, *Japan*

Ali Hamiche, *France*

Amrutha Swaminathan, *India*

Anastas Gospodinov, *Bulgaria*

Anne-Laurence Boutillier, *France*

Arindam Talukdar, *India*

Chandrasekhar Kanduri, *Sweden*

Chandrima Das, *India*

David Tremethick, *Australia*

Debabrata Biswas, *India*

Gaurav Pandey, *India*

Guohong Li, *China*

Hiroaki Daitoku, *Japan*

Hitoshi Kurumizaka, *Japan*

Iva Ugrinova, *Bulgaria*

Jerry L Workman, *USA*

Jiemin Wong, *China*

Kazuhiko Igarashi, *Japan*

Krishanpal Karmodiya, *India*

Kundan Sengupta, *India*

Li-Jung Juan, *Taiwan*

Mahipal Ganji, *India*

Moshe Szyf, *Canada*

Nese Atabey, *Turkey*

Nishana Mayilaadumveetil, *India*

Noriko Saitoh, *Japan*

Raghuvir Singh Tomar, *India*

Ranjith Padinhateeri, *India*

Reshma Taneja, *Singapore*

Sadhan Chandra Das, *India*

Sanjay Gupta, *India*

Seyit Kale, *Turkey*

Shilpee Dutt, *India*

Shrikanth S. Gadad, *USA*

Sridevi Challa, *USA*

Stefan Dimitrov, *France*

Tamaki Suganuma, *USA*

Tielu shi, *China*

W. Lee Kraus, *USA*

Yasukazu Daigaku, *Japan*

Short talks and Poster sessions are available for younger participants. Students and Postdocs are encouraged to apply with abstracts.

Registration fee

Students or Postdoc: 6000 INR

Foreign Students or Postdoc: \$ 100

Academic faculties/ Industry: 8000 INR

For details visit our website:

<https://www.jncasr.ac.in/chromatinasia/>

Last Date of Registration:

September 30th, 2023

Organizing Committee

- Jerry L Workman, *USA*
- Stefan Dimitrov, *France*
- Kazuhiko Igarashi, *Japan*
- Jiemin Wong, *China*
- Ullas Kolthur, *India*
- Chandrima Das, *India*
- Dimple Notani, *India*
- Kundan Sengupta, *India*
- Ruthrotha Selvi Bharathavikru, *India*
- Rakesh Mishra, *India*
- Tapas K Kundu, *India*

Convenor: Tapas K Kundu

8th Meeting of the Asian Forum of Chromosome and Chromatin Biology

4th -6th November, 2023

Jawaharlal Nehru Centre for Advanced Scientific Research

Jakkur, Bangalore-560064

National Organizing Committee

Chandrima Das
SINP, Kolkata, India

Dimple Notani
NCBS, Bangalore, India

R Selvi Bharathavikru
IISER Berhampur, India

Kundan Sengupta
IISER Pune, India

Ullas S Kolthur
TIFR, Mumbai, India

Rakesh K Mishra
TIGS, Bangalore, India

Tapas K Kundu
JNCASR, Bangalore, India

International Organizing Committee

Stefan Dimitrov
IAB, Grenoble, France

Kazuhiko Igarashi
Tohoku University, Japan

Tapas K Kundu
JNCASR, Bangalore, India

Rakesh K Mishra
TIGS, Bangalore, India

Jiemin Wong
ECNU, Shanghai, China

Jerry L Workman
Stowers Institute, Kansas, USA

Conveners

Tapas K Kundu
Rakesh K Mishra, India

Conference Secretary
Kru^hi HT

To
The Vice chancellor
University of Delhi,
New Delhi, 110021

Dear colleague,

We are organizing 8th meeting of the '*Asian forum for Chromosome and Chromatin Biology*' to be held from 4th - 6th November, 2023 at Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR), Jakkur (post), Bangalore-560064, India

The major focus of this conference is to have an up-to-date report for the for the cutting edge and latest developments in the field of chromosome and chromatin biology and to promote collaborative research activities. Around 40 speakers from all over the world are attending this meeting. We plan to have around 60 participants in this meeting, along with short talks and poster sessions.

We request you to encourage your students to participate in the conference and make this conference a successful one.

Please visit our website <https://www.jncasr.ac.in/chromatinasia/> for further information.

Thank you.

Regards,

Prof. Tapas K. Kundu, PhD, DSc., FNASc., FASc., FNA., FAMS

Sir J. C. Bose National Fellow
Silver Jubilee Professor (2015-16)
Transcription and Disease Laboratory, MBGU
JNCASR, Jakkur P.O., Bangalore -560064, India

Former Director
CSIR-CDRI, Lucknow

Adjunct Professor,
Special Centre for Molecular Medicine,
Jawaharlal Nehru University, New Delhi

Lifetime Distinguished Professor
University of Mysore, Karnataka

Distinguished Visiting Professor
SDU Academy of Higher Education and Research,
Karnataka, India

Distinguished Visiting Professor
IIT Bombay
