Respected Sir / Madam

I am writing to bring to your kind attention the crucial initiatives being undertaken by the National Institute of Social Defence (NISD), Ministry of Social Justice & Empowerment (Min of SJ&E), which operates as an Apex body for Government of India. Our institute is deeply committed to conducting various training and awareness generation programs, often in

collaboration with relevant stakeholders such as Police Academies, State Departments, Educational Institution and Social Work Dept, among others, focusing on Drug Abuse Prevention, Drug Demand Deduction and Drug De addiction efforts.

At this juncture, it is essential to highlight the National Action Plan for Drug Demand Reduction (NAPDDR), being implemented by the Ministry of SJ&E, alongside the flagship campaign, Nasha Mukh Bharat Abhiyaan (NMBA). NMBA, under the aegis of the Ministry of Social Justice & Empowerment, Government of India, is dedicated to combating substance use and promoting drug de-addiction across the nation. This campaign aims at cultivating a drug-aware society through a comprehensive strategy encompassing prevention, sensitization, treatment, rehabilitation, and enforcement measures. The primary goal of NMBA is to foster awareness regarding substance use risks and advocate for healthier lifestyles among individuals, families, and communities, with a specific emphasis on early intervention and prevention initiatives to deter substance use and safeguard vulnerable populations, particularly the youth.

As part of this comprehensive plan, we are planning to sanction awareness generation, workshop, seminar and programs/Training targeting various stakeholders. These include Students, Youth Groups, teaching faculty and management, Community representatives, and individuals from diverse backgrounds.

In light of the above, we invite your esteemed institute to collaborate with the National Centre for Drug Abuse Prevention (NCDAP), NISD to host the awareness generation program, workshop etc outlined in the attached table during the current financial year, 2024-2025. Rest assured, NISD is committed to providing financial support for these programs.
