

Hana Scholarship 2023

This year we are once again back with the offer of the KEB Hana Bank, Republic of Korea scholarships. The amount of scholarships varies year by year. We might expect an annual amount of approx. 500US\$ (to be paid in Indian Rupees) per student. Those who had received the Hana Award last year, and have further improved their academic record are also eligible for renomination. This year, the categories are as such:

1. The students to be nominated should be having a minimum of CGPA 6.8 in the previous semester result.
2. The scholarship is open only for those who are from EWS category with the official certification of the income in 2023(not of 2022 or before). Those who are having disability and got admission to College and Dept on that basis, they are also eligible to be nominated(irrespective of their income status). The CGPA of 6.8 is however essential for them too.
3. You can nominate maximum 6 students from your Institution. However, the final number of grantees will be decided by Hana scholarship managing Board.
4. All the Forms to be duly filled in with the EWS and the disability certificate (issued by Govt) signed by Principal and Head should reach my Office by November 22, 2023 till 14:00. In no case, a late application will be entertained.
