PRESS RELEASE

Launch of Phase II of CSAS – UG 2022

The Phase-II of Common Seat Allocation System (CSAS – UG) 2022 for admission to Undergraduate Programs of University of Delhi has commenced from Monday September 26, 2022.

The candidates who have successfully completed their application process of Phase-I must proceed to make their preferences for Programs and Colleges. The candidates who have yet not completed Phase – I can do so now and proceed to Phase – II.

The candidate will first map their CUET (UG) – 2022 Test Papers / Subjects with the subjects s(he) has passed in Class-XII Boards. The candidate will be able to see his/her Program-Specific CUET score, based on the CUET's Normalized score, for all the Programs in which (he/she) is eligible. These Program-Specific CUET scores will be auto-calculated and displayed on the dashboard of the candidate.

In the subsequent section of "Preference Selection", the candidate can select and order his/her preferences. The "Available Preferences" tab will display all the possible Program + College combinations the candidate may choose from. In addition, the candidate can use the "Advanced Filter" option available at the top to filter the Colleges as well as Programs. The candidate will have to choose and order the preferences as per his/her choice. The order to selection will also determine the preference order. The candidate can use "Top / Bottom / Preference Number" icons to reorder his / her preferences. The final order of preferences, as filled and saved, will then be reflected in the "Selected Preferences" tab. Once satisfied with the preference order, the candidate must "Save Changes" to submit his/her preferences.

It is advisable to choose maximum number of preferences as adding/editing the Programs and Colleges after the deadline for the Preference-Filling phase will NOT be allowed.

Phase I and Phase II of CSAS – UG 2022 will remain open till Monday, October 10, 2022.
