Economic Studies and Planning,
JNU, Delhi

Practice session: Step Wise Solution to Common Challenges by Dr. Vineet Singh, Assistant Professor, ANDC, DU

About the workshop

Target audience for this workshop is faculties and research scholars interested in learning various tools utilized in biostatistics research and teaching. The workshop is aimed to provide a detailed overview on biologically relevant statistics to participants.

This two-day event includes lectures and practical, hands-on experience with statistical programs commonly used by biostatistician. It would be better if the participants have a basic understanding of biostatistics in order to conveniently understand the covered topics viz. R, SPSS, SigmaPlot, MS Excel etc.
