Hostel View

Congratulations on having been admitted to Ramjas College. Now you are a student of the College and you are welcome to apply for residence in this hostel.

1. BRIEF OVERVIEW

The Ramjas College was founded by Rai Sahab Kedar Nath in memory of his father Lala Ramjas Mal, who undertook 'Sarvaswa Daan' (Total Renunciation) and was the founder of Ramjas Society in 1912. The hostel has always been an integral part of the college since the days when it was situated at Anand Parvat. The college shifted to the Delhi University campus in 1954 and the hostel was built in the college premises in the same year.

The Ramjas College Hostel is within the college campus behind the college buildings. It is a spacious structure of colonial design. The hostel has two distinct and separate sections, divided into blocks. Two blocks on the first floor have been developed exclusively into a self-contained unit as Girls Hostel. The Girls Hostel has 40 rooms to

accommodate about 80 girl students. The remaining four blocks have been retained for boys students. The Boys Hostel has 50 rooms (Tentative) and can accommodate about 100 boy students. Both the hostels have separate kitchen, dining hall, common room, lobby, terrace/lawns, washrooms etc. however, the Boy Hostel has a Gym and Table Tennis room in addition. Many competent and dedicated staff provide various services for mess, cleaning etc. Full-time security guards are at service for the safety and security of residents. Special care is taken with regard to the safety of the girl residents.

A Manager and a Matron separately look after the overall day to day management of Boys and Girls Hostels respectively however, the office matters and the accounts are looked after by the Hostel Assistant/Accountant for both the Hostels. The internal administration and overall discipline of the Hostel is looked after by a full-time resident Warden.

With its basic aim of promoting an atmosphere for academic excellence, the Hostel provides the ambience for talent to grow. It seeks to create a healthy environment through cultural and sports

Activities. It develops among the students organisational ability, healthy competitive spirit, discipline, care, concern, friendship and tolerance, that help them play a useful role in society.

The Hostel provides accommodation during the operative academic sessions only.

The distances of important places like Railway stations etc. from the Hostel, nearby hospitals, important contact numbers etc. are available in the Hostel and its office.

2. ADMINISTRATION

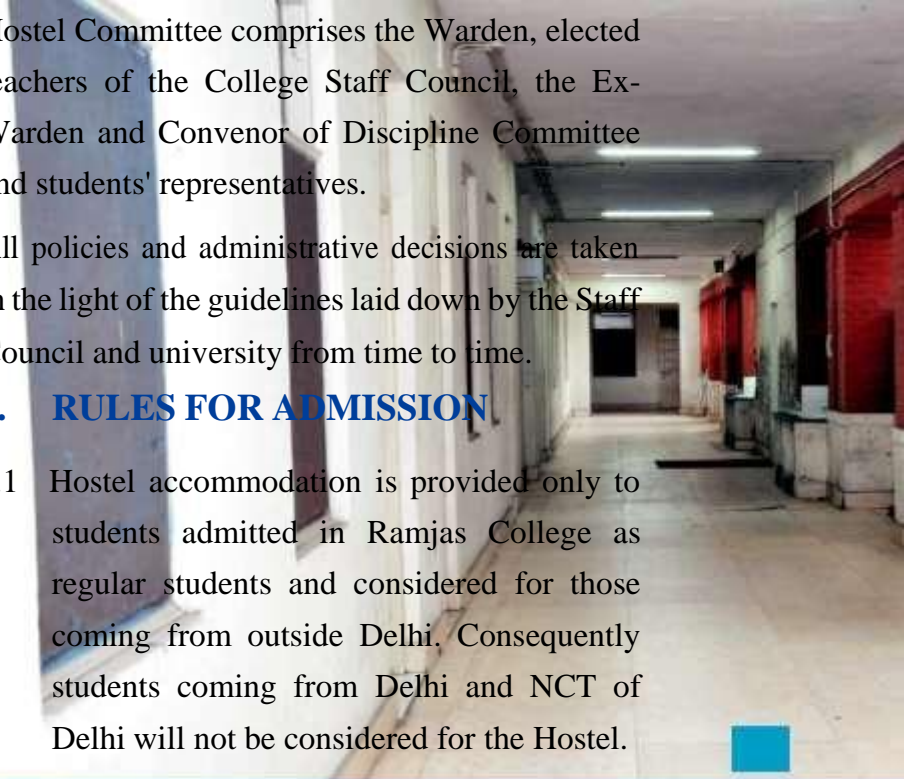

The Hostel is managed by the Warden on behalf of the Principal, being the head of the institution. General Policy matters regarding the governance

of the Hostel are formulated by the Hostel Committee with the Warden as its Convenor. The Hostel Committee comprises the Warden, elected teachers of the College Staff Council, the Ex-Warden and Convenor of Discipline Committee and students' representatives.
