Principal's Message

Founded in 1917, Ramjas College is one of the first three colleges established under the University of Delhi. Located in the Northern Ridge of the Aravalli mountain range in Delhi, the institution is gifted with a spacious campus, state-of-the-art infrastructure, dedicated faculty and non-teaching staff marching together towards integrating the principles, values and practices of sustainable development into all aspects of teaching and learning. The college provides diverse forms of opportunities to students through various clubs and societies in order to enhance their knowledge and skills, reach excellence in different fields, and achieve all-round development. It has adequate facilities supported by advanced technology which makes it a premier institute for learning.

The college library has over 1,50,000 titles which are all bar-coded making the process of issue and return of books efficient. The computerized cataloguing of the books further helps in locating the books and their availability. Classrooms with LCD projectors, Science and Computer labs equipped with latest facilities enable students to gain hands-on experience and develop practical approaches. Besides, the green campus also houses hostels for boys and girls, an auditorium with modern facilities, sport grounds, a gymnasium, a canteen, a stationary shop with photocopy facility and other amenities.

Students' Welfare Committee looks after the efficient functioning of the mechanism for providing financial support to needy students in order to meet their college fee. It also ensures for the nutritious food served by the college canteen and maintenance of sanitary facilities in the campus. The college manages and disseminates information through the web-based Students Information System (SIS) which also helps in maintaining the record of classes, courses, time-table, assignments, projects,

attendance, events, etc. facilitating an efficient work environment. The Ramjas Team comprising the students, teachers and other staff members works together towards achieving sustainable development with the focus on reclaiming the green through planting of trees, water harvesting, optimum use of solar power, use of recycled waste materials and other such measures.

The Enabling Unit of Ramjas College provides an adequate platform to the students with disabilities (PwD category students) to voice for their social protection and educational requirements. It aims at ensuring solutions to the problems faced by such students and organizes lectures, seminars and other events in order to create awareness in society and develop an integrative social approach.

The Gender Forum and the Women Development Cell actively works for its objective to empower women. With a strong commitment to gender equality their activities are planned in order to promote awareness among students and staff in the same regard. Ramjas College is the first co-educational college of Delhi University which has the distinction of opening its hostel doors also for the girl residents in the year 2005.

The School of Foreign Languages functioning at Ramjas College since 2003 provides opportunities to students for acquiring skills in multiple languages. This enhances their knowledge adding on to the level of cultural interaction and opening up newer avenues of professional engagements.

DBT Star College Project, sanctioned to Ramjas College by the Department of Biotechnology (DBT), Government of India in 2011, has been designed to upgrade the practical skills of undergraduate students and develop critical thinking through hands-on approach.

The Placement Cell organizes training programmes and skill development workshops for students to enhance their abilities. The Cell reaches out to the corporate world for facilitating the best placement for undergraduate students. Over the years our students have been placed in various reputed organizations including McKinsey, D.E Shaw, Deloitte, American Express, RSA Actuarial Services, Genpact, KMPG, etc.

Echoing the spirit of 'Health is Wealth', the Wellness and Counselling Unit of the college organizes lectures, discussions, seminars and workshops throughout the year. It plays an active role in guiding students towards their future with a positive approach. The Department of Physical Education with its motto 'Sports for All' encourages the mass participation of students in various sports events organized round the year. Over the years, our students have brought laurels to the college by their commendable performances in competitions and bagging prizes at international, national, state and university levels.

The North-East Cell of Ramjas College makes its lively presence felt through a series of events including talks, discussions, food festivals, painting competitions, musical programmes, etc. that

highlight the tradition and practices of the region and promotes cultural integration. Departments of various disciplines with their own academic and cultural societies organize programmes all year round. The college has vibrant Music and Dance Society, Debating Society, Photography and Film Society, Quiz Society, Theatre Society, Literary Society and Fine Arts Society which altogether facilitate the confluence of literary and cultural attributes.

The National Service Scheme (NSS) organizes programmes including social and community service. This voluntary association of students helps in establishing campus-community linkages with focus on rural development. The NSS volunteers also play an active role in rescue operations during a disaster or calamity. Under the Unnat Bharat Abhiyan launched by the Govt. of India with a mission for rural transformation, Ramjas College has very recently adopted five villages in the neighborhood of Delhi. The college under its plan of extension activities is going to mentor a government postgraduate college in Pithoragarh (Uttarakhand).

The National Cadet Corps (NCC) wing for female students at the college is a recent addition. This would help in grooming the girl cadets to become disciplined and patriotic citizens of the nation.

Ramjas UPSC Wing of the college organizes lectures and discussions by inviting experts in the field of administration, management, research and training. The college alumni, who are now a part of the administrative system of the country, also grace such occasions and share their experience that motivates and guides our students to realize their goals. The college also maintains the channels of communication that connect the students presently at the college to those who have passed out from the college. This interaction with the alumni community and student fraternity creates a healthy ongoing exchange of ideas.

The Ramjas Model United Nations Society strives to empower the youth segment of society by providing them a platform for public speaking and helping them in different ways to make them aware citizens of the country. Enactus Ramjas is a social entrepreneurship organization run by a group of spirited students of the college who seek the socio-economic upliftment of the deprived section of society. This contributes to the measures for transformation at various levels. Finance and Investment Society is a recently formed society in the college. Since the year 2018, the society has engaged itself with a focus on creating greater financial literacy among students and providing a platform to encourage discussions on pertinent issues about investments, business and the economy. This is also credited with the creation of the first automated Mockstock platform that was launched for India-wide participants in April 2019. The noteworthy activities of this forum have drawn the attention of finance enthusiasts in academic circles across India.

Ramjas College Magazine, named *Anand Parvat* after the place in Delhi where the foundation stone of the college was laid by Mahatma Gandhi in 1917, reflects the support provided by the institution for academic and literary activities. In continuation with our memorable journey, I on behalf of Ramjas fraternity invite suggestions from all stakeholders in order to carry forward the glorious tradition of this reputed institution.

Ramjas College welcomes its fresh entrants with the warmth of a family and leads them on to gradually gain independence of thought, a keen sense of inquiry and a search for wisdom. We hope that by the time our students leave the gates of this institution they are enriched not just with factual and theoretical knowledge but also with the confidence of fearlessly walking down the path of truth. The college and the college faculty too, in turn, continue to learn from students. We have tried to evolve with the inputs every batch of students brings to us by renewing and renovating programmes connected with academics, extracurricular, sports, and NSS.

On behalf of the whole college, I welcome all our students to another year of meaningful activity and experience that would lead to an enhancement of energy, talent and capability.

**Prof Manoj Kumar Khanna,
Principal**

About the College

Founded in 1917 by the great educationist and philanthropist, Rai Kedar Nath, Ramjas College is one of the oldest colleges of Delhi. Beginning from the humble precincts of Darya Ganj in Old Delhi, the College today boasts of a spacious campus, state-of-the-art infrastructure and an esteemed faculty of scholars trained at leading universities in India and abroad. At Ramjas, we believe in holistic education that goes beyond achieving academic excellence, and vocational training. Our philosophy is to realize the overall intellectual, creative, cultural, and socio-political growth and development of both the students and the college community in its entirety. The College invites all students irrespective of gender, caste, religion and physical challenges to make us a rich and varied community. The College offers a wide range of courses, extra-curricular activities, and technologically advanced facilities accessible to the faculty, the students, and the support staff. Here, each individual is encouraged to step beyond the confines of academic and administrative disciplines to explore and intervene in the larger interests of the Ramjas Community that thrives on participation and the desire to venture into newer vistas.

DEPARTMENT(S) IN THE COLLEGE

1. Department of Botany

The Department of Botany has been in the forefront of teaching and research in plant sciences. The Department admits students of B.Sc. (Hons.) Degree in Botany. In collaboration with the Departments of Zoology and Chemistry it imparts teaching to students of B.Sc. (Programme) in Life Sciences. The syllabi for all the courses taught by the Department are continually updated to include the latest developments in plant sciences. These syllabi cover all aspects of botany - ranging from diversity in structure, form, development and function to systematics, basic and applied aspects of cell and molecular biology, genetics, biotechnology, medicinal botany, ecology and environmental management. During the year the Department organizes study trips to various places of botanical interest and modern research laboratories. The Department also has a Society, Bloom for the students which organizes seminars and co-curricular activities throughout the year. The Department is committed to provide quality education to the students as well as inculcate values of empathy, honesty, gender equity and environmental consciousness. The unique feature of the Department is its faculty which includes experts and active researchers from almost all areas of plant sciences. The faculty has published quality research work in reputed national and international journals.

4. Department of Zoology

The Department of Zoology offers BSc (Honours) Zoology and BSc (P) Life Sciences courses that provides students a broad exposure to the essentials of biological sciences. Both these courses have a multidisciplinary approach particularly in emerging areas of Cell and Molecular biology, Physiology, Biochemistry, Medical Diagnostics, Immunology, Genetics, Evolution, Ecology and Environmental sciences. The department also helps the students explore the various aspects of scientific skills through internships, research projects and training programmes. In the past decade there has been a widespread incorporation of Information & communication technology (ICT) in different tiers of academics as well as in the global scientific structure. The Department of zoology is encouraging its students and teachers to access and utilize these new developing technologies. Through the web-based students Information System (SIS) of our college, all student-related data pertaining to assignments, attendance, tests etc., are being made available online. The zoological society of the department known as 'ZOON' conducts seminars, webinars, workshops, educational field trips and various extra-curricular activities throughout the year. The life Sciences Society 'GENESIS' comprising students of the BSc (P) life Sciences, is an equally dynamic and vibrant society that organizes excursions, lectures, webinars, panel discussions, competitions etc.

Department's highly qualified teaching faculty has been ably guiding the students to pursue higher studies in esteemed institutions in India and abroad. Some of the teachers are actively involved in supervising PhD students and have published their research papers in journals of national and

international repute. In the year 2017, the Department of Biotechnology (DBT), Govt. of India conferred 'Star Status' to Zoology Department. With leading faculty members, well-trained and cooperative non-teaching staff, excellent laboratory infrastructure and student-friendly curriculum, the entire team of zoology department aims to provide quality education to each student focusing on their holistic development so that they are ready to face the exam called life!

5. Department of Commerce

The Department of Commerce is one of the most prestigious Departments in the College and the courses offered by it are among the most sought after and popular. The Department focuses on actual business practices, and creates a deep understanding of business through its research and interaction. This is achieved by teachers who work with skill and passion. Our faculty is an interesting mix of extremely experienced individuals who are experts in their own respective fields and relatively younger members who bring fresh ideas and approach to the floor. We at the Department emphasize the wholesome development of our students. Apart from the strict course curriculum that is followed, several extracurricular activities such as the Annual Commerce Festival and International Seminars are also organized. It is little wonder that our alumni have, over the years, not only secured ranks at the University level, but also achieved success and positions of leadership in diverse organizations and made Ramjas proud.

This wide array of faculty strengths exposes students to different disciplinary perspectives even while giving them a firm grounding in the discipline of English studies. English Literary studies, is a dynamic and ever-evolving discipline that straddles periods that range from Classical and Renaissance literature all the

way to Modern and Contemporary literature. The several areas within English studies taught at Ramjas include literary theory, Indian literature, post-colonial studies, queer studies, intersection of caste and literature, and European Drama. Literary texts offer a fascinating window into culture. Their unique imaginative engagement with the different life-worlds they inhabit enliven our access to the past and present. The faculty at Ramjas English share the belief that a serious engagement with literary texts and their contexts enables students to develop their own skills to read, think, and write critically and with greater self-awareness.

As a department, Ramjas English is a cohesive unit with a vibrant student body. The Student Faculty Committee of the department offers a democratic forum for students and teachers to freely discuss matters related to departmental functioning.

9. Department of History

Historians, as keepers of memory, address deep-seated human fears of forgetting and being forgotten, even as the discipline of History equips us to get to know the world around us in greater depth by observing people and phenomena over time, rather than only at any given moment. The study of History, by teasing us into looking at everything as being in a state of change and constant flux, as being historical rather than natural can unfreeze the world for us and introduce a sense of fluidity in our own lives.

10. Department of Mathematics

The Department of Mathematics offers undergraduate and post-graduate courses in Mathematics, and Operational Research. The fundamental philosophy of the Department is to inculcate not only intellect and creativity among our students through their active engagement in academic and research activities but to realize them

their extra-academic and extra-curricular disposition as well, critical for making a productive member of the society. Each faculty member closely monitors every student throughout the academic year in classes, tutorials, internals mid-term and final examinations. Our students are also encouraged to take peer tuition in- and out- class vis-à-vis active participation of the faculty members. The Department of Mathematics boasts of state-of-the-art Lab and well-stocked Library. Since its inception it had played a dominant and important role in the evolution of modern theories of Mathematics. Our faculty members have organized several summer and in-service institutes to train teachers for the new concepts. The Department proudly boasts of an enviable record of large

SUPPORT SERVICES FOR STUDENTS

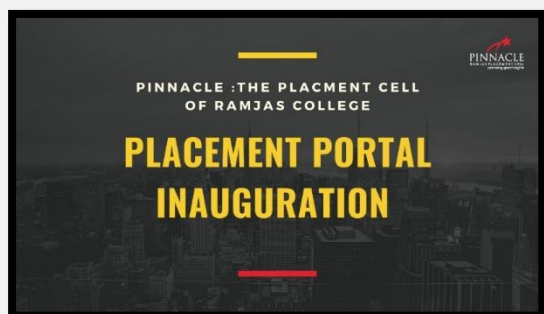

Student Information Services (SIS)

The student information services (SIS) system is an important innovation introduced in the college to facilitate better management of information and data relating to academics and general administration. It is accessible through the college website www.ramjas.du.ac.in. Whereas the website carries a host of information on the college, the login option for SIS is restricted to students, staff and the administration of the college. The system is web based and accessible at any location through the Internet.

All academic and administrative data relating to students are uploaded, stored, processed and retrieved through the dedicated software that runs SIS. From tutorial management to term wise attendance, from midterm marks to assignment grades, from back end reports to all important information (like syllabus, important dates, etc.), SIS is primary driver for information management in Ramjas. SIS ensures total transparency and ease of information sharing. Students are actively encouraged to use SIS on a regular basis.

The SIS system allowed the college to run its teaching learning activities smoothly during the lockdown period. The college has also procured the facility of GSuite account of Google, as well as Teams account with Microsoft Teams for an efficient online teaching and learning activities. The college also organized various webinars, workshops, and other activities during the pandemic period, to ensure that all-round development of students do not get hampered during the pandemic.

Placement cell

At Ramjas College, we always strive to create an environment in which each individual is encouraged to step beyond the confines of the academic and administrative disciplines to explore newer vistas. Our placement cell was conceptualized and initiated taking into consideration the desire of the students to utilize the education and vocational training that they

received within the campus in the business environment. The placement cell serves as an interface between the students and the corporate world. Apart from bringing various companies to the campus, the placement cell also organizes talks, study abroad seminars, internship opportunities, and

workshops for the collective student body. College has its in-built placement portal with an aim to facilitate the recruitment procedure for the students of the institute. The placement portal is fully automated, thus creating an environment which eradicates the tiresome labor-intensive work. It has different labels ranging from placement registrations to company details and status for the students and a separate admin portal for the institute and the Placement Cell. Though during the pandemic, offers released by the recruiters took a toll, yet the highest salary offered during the pandemic was 10 LPA.

Student Activity Centre

The College has built a specially designed Student Activity Centre where the students of the College can congregate to conduct meetings, discussions and functions regarding academic, cultural, political and other creative activities and also conduct the business of clubs and societies. The extra-curricular activities committee (ECAC) has a dedicated area within the Centre for the conduct of its activities. The Centre has an LCD projection system, besides a professional quality hi-fi sound system.

ANTI-RAGGING SQUAD

Ragging is a heinous crime and a criminal offence as declared by the Supreme Court of India. Ramjas College has been successful in creating a ragging-free campus. The Ramjas College has a vigilant committee against instances of ragging. The Committee takes measures to repeatedly remind students of the consequences of ragging, and ensures that parents and new students are made aware of their rights. Anti -Ragging Committee is constituted in this college to prevent ragging and to take anti-ragging measures as per the guide lines issued by the Supreme Court of India and UGC.

Our College believes in fostering a harmonious relationship amongst its students and strictly condemns ragging. We have an anti-ragging cell which comprises of the Principal and other staff members. The students are sensitized on the ill effects of ragging and the legal proceedings in curbing the practice. Awareness is created via orientation programmes in the first semester as well as before the commencement of each academic year. The hostel too is under strict vigilance and we ensure that students learn to respect and accept peers beyond their cultural and regional differences.

The main objective of Anti-Ragging Committee will be the Supervisory and Advisory Committee in preserving a Culture of Ragging Free Environment in the college Campus. The Anti-Ragging Squad-office bearers engage in the works of checking places like Hostels, Buses, Canteens, Classrooms and other places of student congregation. Anti-Ragging Committee will be involved in designing strategies and action plan for curbing the Menace of Ragging in the college by adopting array of activities.
