REPORT OF SEMINAR ON “Research Techniques to Comprehend Biological Quests”

On 1st June 2023, a seminar on the title “**Research Techniques to Comprehend Biological Quests**” on **1st June, 2023** was organized by IQAC, Ramjas College in collaboration with Department of Zoology, Ramjas College.

Venue: Conference Hall, Ramjas College

Time: 1 PM onwards

Objective:

The seminar was aimed to made students acquaint with various research techniques including quantitative real-time polymerase chain reaction (qRT-PCR), immunohistochemistry (IHC), and cell sorting. Around 92 students registered for the seminar.

Detailed activities:

The welcome address was given by Dr. Ojit Kumar, Teacher-in-charge and Associate Professor, Department of Zoology, Ramjas College, University of Delhi. Further, Dr. Ojit felicitated Prof. Hament Kumar Rajor, IQAC Coordinator, Ramjas College, University of Delhi. Thereafter, Prof. Rajor welcomed and felicitated the speaker and addressed the audience.

The resource person was **Dr. Shashank Kumar Maurya**, Assistant Professor, Department of Zoology, University of Delhi, Delhi-110007, India. Dr. Maurya started explaining with generation of a research problem by taking an example of a Dalton’s lymphoma mice model. Dr. Shashank showed variation in the size of cortex of brain of a lymphoma mice as compared to the control animals. In order to understand differences in levels of different genes and proteins of interest, Dr. Maurya explained the usage and principle of quantitative real-time polymerase chain reaction (qRT-PCR) and western blotting, respectively. In order to localize the proteins in the cell, immunohistochemistry (IHC) can be used. Thereafter, another technique named enzyme-linked immunosorbent assay (ELISA) was explained to the students in order to measure the proteins and other molecules with greater sensitivity. Lastly, cell sorting was introduced to the audience which is employed to separate different cells.

The session was concluded with the Vote of thanks given by Dr. Amit Bhattacharya, Associate Professor, Department of Zoology, Ramjas College, University of Delhi.
